Ceramic Finish

Minakari Collection

Introducing our Ceramic Finish Minakari Dog Bowls, where artistry meets functionality to elevate your pet's dining experience. Handcrafted with exquisite Minakari detailing, these bowls seamlessly blend contemporary aesthetics with timeless elegance.

Crafted from durable stainless steel, our bowls are not only stylish but also practical. The sturdy construction ensures long-lasting durability, while the anti-skid rubber ring keeps the bowl in place, preventing slips and spills during mealtime.

Anti-Skid Base

Essential Collection

Our stainless steel dog bowls, with a rubber ring, ensures anti-skid functionality, providing stability during your pet's meal-times. These bowls are available with various options, including your preferred customization, embossing, adding a slot or a combination of both, allowing you to personalize them to your liking.

Crafted for durability, our stainless steel bowls are built to withstand daily use and are resistant to rust and corrosion. The sleek and aesthetic design adds a touch of sophistication while offering practical features for your pet's feeding needs.

Magic Suction Bowl and Inclined Suction Bowls are the latest innovations by Kumar Steels Inc., Patented in India, U.S.A. and European Union. It works like magic! Press the bowl to the floor, the vacuum suction does not allow the bowl to move, dogs/cats can eat in peace without any irritating noise and without fear of the bowl tipping. Inclined suction bowl is ideal for long-eared dogs, its ergonomic design prevents their ears from entering food.

Inclined Suction Bowl has a fixed, bonded Silicone base, it is ergonomic, inclined to the front making it easier for the pet to eat. Removing from the floor is easy, just pull the knob to release the suction. Pure Silicone material is used, it can be used in any weather condition, it comes in beautiful colours, is Dishwasher safe and Long Lasting, Making eating food a pleasure.

Ceramic Bowls

Raw Ceramic Collection

Discover the benefits of our pure ceramic collection of feeding bowls, designed to enhance your pet's dining experience. Their non-porous nature prevents the growth of bacteria and odors, while being easy to clean. Heat-resistant and non-toxic, our ceramic bowls are suitable for both hot and cold food, promoting your pet's well-being. With a range of colors and designs to choose from, they add a stylish and aesthetic touch.

Environmentally friendly and safe for pets with sensitive skin or allergies, our ceramic bowls offer a safe and comfortable dining experience.

Dressing In Style

Clothing & Accessories

Crafted with precision and flair, these garments blend comfort with chic aesthetics. Vibrant hues and playful patterns transform pets into trendsetters, turning daily walks into runway strolls. From cozy sweaters to horse blankets, each piece exudes personality, reflecting both pet and owner's tastes. Luxurious fabrics ensure softness against delicate fur, while intricate details showcase meticulous craftsmanship. Whether it's a flashy coat for chilly days or a dainty dress for special occasions, designer pet clothes elevate pet couture to new heights, celebrating the bond between you and your beloved companions.

Feeding Bowls

Heavy-Duty & Twin Diners

Experience the durability and functionality of our heavy-duty stainless steel pet bowls in our twin diner collection. Crafted to withstand daily use and resist scratches, these bowls are built to last. The twin diner design features two bowls in one stand, providing convenience for feeding multiple pets or serving food and water simultaneously.

The sturdy stand keeps the bowls elevated, reducing strain on your pet's neck and promoting better posture during meals. Available in a variety of colours and sizes.

Avoid a flipped stomach caused by bloating in dogs. Dogs with deeper chests than the width of the dog are at a serious health risk of having a stomach flip. Many other conditions like gastric problems, vomiting, digestive disorders, obesity in dogs etc. This can be helped using a slow-feeder dog bowl.
