Kumar Steels Inc.

Who are we?

Kumar Steels Inc. established in 1991 is run by brothers **Sudhir Kumar & Sumeet Kumar**, located on the outskirts of New Delhi, India. **Two SEDEX and BSCI audited plants** with more than 65,000 square-foot workspace are constructed using ISO guidelines, they are modern, efficient and well-organized manufacturing facilities with a strength of 150 dedicated, skilled, educated and experienced employees.

We have about 500 articles in our range of products and are only dedicated to Pet Industry. We have happy customers in 57 countries and our USP is **Good Quality at Right Price and at Right Time**. Mr. Sudhir Kumar & Sumeet Kumar are themselves involved in customer management and product management. They are available on all major Pet Shows and interact personally with you. You always directly communicate with them when you email info@kumarsteels.com.

To ensure **Exclusivity, Quality, Privacy and functionality** Kumar Steels Inc. is equipped with **Inhouse R&D, Complete CNC Tool Room, Silicone Molding** and complete **Stainless Steel Utensils Manufacturing Plant**. It has 100% power back up, safety equipment and all other resources required to guarantee a smooth operating facility. The Company is a leader in India in adhering to high standards as it relates to its workforce and the environment.

Anti-Skid Base

Essential Collection

Our stainless steel dog bowls, with a rubber ring, ensures anti-skid functionality, providing stability during your pet's meal-times. These bowls are available with various options, including your preferred customization, embossing, adding a slot or a combination of both, allowing you to personalize them to your liking.

Crafted for durability, our stainless steel bowls are built to withstand daily use and are resistant to rust and corrosion. The sleek and aesthetic design adds a touch of sophistication while offering practical features for your pet's feeding needs.

Magic Suction Bowl and Inclined Suction Bowls are the latest innovations by Kumar Steels Inc., Patented in India, U.S.A. and European Union. It works like magic! Press the bowl to the floor, the vacuum suction does not allow the bowl to move, dogs/cats can eat in peace without any irritating noise and without fear of the bowl tipping. Inclined suction bowl is ideal for long-eared dogs, its ergonomic design prevents their ears from entering food.

Inclined Suction Bowl has a fixed, bonded Silicone base, it is ergonomic, inclined to the front making it easier for the pet to eat. Removing from the floor is easy, just pull the knob to release the suction. Pure Silicone material is used, it can be used in any weather condition, It comes in beautiful colours, is Dishwasher safe and Long Lasting, Making eating food a pleasure.

Ceramic Bowls

Pure Ceramic Collection

Discover the benefits of our pure ceramic collection of feeding bowls, designed to enhance your pet's dining experience. Their non-porous nature prevents the growth of bacteria and odors, while being easy to clean. Heat-resistant and non-toxic, our ceramic bowls are suitable for both hot and cold food, promoting your pet's well-being. With a range of colors and designs to choose from, they add a stylish and aesthetic touch.

Environmentally friendly and safe for pets with sensitive skin or allergies, our ceramic bowls offer a safe and comfortable dining experience.

Feeding Bowls

Heavy-Duty & Twin Diners

Experience the durability and functionality of our heavy-duty stainless steel pet bowls in our twin diner collection. Crafted to withstand daily use and resist scratches, these bowls are built to last. The twin diner design features two bowls in one stand, providing convenience for feeding multiple pets or serving food and water simultaneously.

The sturdy stand keeps the bowls elevated, reducing strain on your pet's neck and promoting better posture during meals. Available in a variety of colours and sizes.

Avoid a flipped stomach caused by bloating in dogs. Dogs with deeper chests than the width of the dog are at a serious health risk of having a stomach flip. Many other conditions like gastric problems, vomiting, digestive disorders, obesity in dogs etc. This can be helped using a slow-feeder dog bowl.
